## PORTLAND MARKETS

## Latest Quotations in the Portland Markets.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, Sept. 19.—Fancy creamery butter is going into cold storage in large quantities, because front street commission firms cannot work it off without lowering the price which is now fixed at 27½c.

"In San Francisco, fancy creamery is quoted at 26c a pound," and the merchants of that city can make a profit if they send it to Portland and get 30c."

Both hop dealers and growers are up a stump on outlook for prices. Growers who are keeping tabs on the situation are confident that the world's product of 1905 will fall short of 1904, and that 20¢ to 25¢ will prevail if the growers hold out for it.

Good fat cattle are in fair demand on foot, but poor stock is at a discount. Sheep are fairly steady at present quotations and lambs are of slow sale, as too many are offering. Good hogs are steady, but stubble-fed, such as are coming in now, are likely to meet a weak market.
